OBJECTIVE

BSc IT graduate with hands-on project experience in web development, including a full-stack e-commerce platform using the MERN stack and a front-end portfolio website using HTML5, CSS3, and JavaScript. Skilled in front-end and back-end development, database management, and responsive design. Eager to apply my technical and problem-solving skills in any entry-level IT role, and grow within a dynamic, technology-driven organization.

SKILLS

Programming Languages: C, C++, JavaScript

Web Technologies: HTML5, CSS3, PHP, React (basic), Node.js (basic), Express.js (basic)

Database Management: MySQL, MongoDB (basic)

Software & Tools: Microsoft Office Suite, Advanced Excel, Desktop Publishing Tools

Marketing & Media: Social Media Marketing, Digital Marketing

Soft Skills: Communication, Teamwork & Collaboration, Problem-Solving, Time Management, Adaptability, Active Listening, Interpersonal Skills, Creativity, Professional Etiquette, Presentation

PROJECTS

Men's Shirts E-commerce Website

Duration: Dec 2024 – Feb 2025

Link: github.com/RiddhiChheda8/mens-shirt-website

- **Technologies:** MERN Stack (MongoDB, Express.js, React.js, Node.js)
- Developed a responsive full-stack e-commerce platform with user registration, secure login, product browsing, cart functionality, and order placement.
- Created an admin dashboard for inventory control, product management, and real-time order status updates.
- Used MongoDB to efficiently manage user data, product listings, and order history.

Personal Portfolio Website

Duration: Mar 2025 – Apr 2025

Link: riddhichheda.com

- **Technologies:** HTML5, CSS3, JavaScript
- Developed a fully responsive personal portfolio website that adapts flawlessly to all screen sizes and devices.
- Implemented a clean, intuitive UI/UX design to effectively showcase education, skills, and project experience.
- Deployed the website to establish a strong online professional presence and enhance personal branding.
